Forecast for Tuesday 25 Jul 2023

Weather: Variable amounts of cloud with some sunny intervals and scattered showers, these may turn heavy during the morning with a small risk of a thunderstorm across the south of the area. Fewer and lighter showers as the afternoon progresses.

Chance of cloud-free hill tops above 800m: 60%, best chance in the afternoon

Low Cloud and visibility: Very good visibility with great air clarity outside of cloud and showers. Patchy cloud down to 600 metres at first, this most extensive across the west of the area. Otherwise areas of cloud down 850 metres coming and going through the day, shrouding some of the higher tops at times.
